Christmas Tradition

**For children we have
the Advent Calendar
so that it's easier to
wait for Christmas.
Sometimes you have
chocolates or little
presents inside.**

**It's normal to put
the crib near the
Christmas tree.**

**In certain families
people create all
things of the crib,
all characters and
the setting. It's
there all the time
during Christmas
and after
Christmas for the
Epiphany in 6th
January, we
celebrate the
welcoming of the 3
Magical Kings.**
